

June 6, 2015

To Our Valued Distributors,

Due to resin related costs, stretch film manufacturers have implemented an increase of 6% to 7% effective May 22, 2015.

Our floor inventory will allow us to extend current pricing until July 3, 2015. The price increase will be implemented on July 6, 2015.

All purchase orders placed no later than July 3, 2015, must be will called or delivered by July 10, 2015. Orders at old pricing are subject to inventory on hand. All special orders and manufacturer drop ships will be at new pricing, effective immediately.

Your sales representative will answer any question or detail of this most recent increase. They can also give you status of inventory levels and pricing.

We appreciate your continued business.

Sincerely,
