

May 9, 2016

To Our Valued Distributors,

Due to resin related costs, stretch film manufacturers have implemented an increase of 4% effective May 2, 2016.

Our floor inventory will allow us to extend current pricing until June 10, 2016. A price increase of 4% will be implemented on June 13, 2016.

All purchase orders placed no later than June 10, 2016, must be will called or delivered no later than June 17, 2016. Received purchase orders placed at old pricing are subject to inventory on hand. New pricing will apply to any orders where out of stock items are replaced by new inventory. All special orders and manufacturer drop ships will be at new pricing.

Your sales representative will answer any questions or details of this most recent increase.

We appreciate you continued business.

Sincerely,
