

October 6, 2020

To Our Valued Distributors,

Manufacturers implemented an increase on all Polymer Grade Propylene Strapping. On October 1, 2020, manufacturers announced a price increase of 5% effective November 2, 2020.

We must notify you at this time that we will increase Poly Propylene Strapping 5.0% effective November 2, 2020.

Your sales representative will answer any questions related to the most recent increases on Poly Propylene Strapping.

We appreciate your continued business.

Sincerely,

A handwritten signature in black ink, appearing to read 'Joe Tang', with a horizontal line above it.
