

September 15, 2017

To Our Valued Distributors,

Due to resin related costs, stretch film manufacturers have implemented an increase of 4% effective September 4, 2017.

Our floor inventory will allow us to extend current pricing until October 13, 2017. A price increase of 4% will be implemented on October 16, 2017.

All purchase orders placed no later than October 13, 2017, must be called or delivered no later than October 18, 2017. Purchase orders placed at old pricing will be subject to inventory on hand. New pricing will apply to all orders where out of stock items were replaced by new cost inventory. All special orders and manufacturer drop ships will be at new pricing.

Your sales representative will answer any questions related to the most recent increases on stretch film. They can also give you status of inventory levels and pricing.

We appreciate your continued business.

Sincerely,
