RE: PRICE INCREASE ANNOUNCEMENT FOR UPVC BAG SEALING TAPE

Dear Customers,

Due to persistently high material and freight costs, and limited sourcing options, we regret to inform you that we are forced to implement a price adjustment on the following products, effective **APRIL 1, 2025**.

Product Line	% Increase

All orders received before the effective date are subject to inventory availability and past purchase history. QSPAC reserves the right to apply the new price to orders for which we do not have enough inventory on hand. Should you have any question regarding this increase, please feel free to contact your sales representatives.

Sincerely,
