

Certificate of OSHA Compliance

Date: April 24, 2026

Dear valued customer.

We at QSPAC Industries Inc certify that all our Overlamination (Bopp & Polyester films) comply with the following regulations:

- Complied with OSHA 29 CFR 1910.1200.
- The total heavy metals (Pb, Cd, Hg, Cr VI) below 100 mg/kg per REACH SVHC, and RoHS requirement.
- The products are virgin, and do not have post-consumer recycled content.
