

WE HAVE SOME EXCITING NEWS!

Dynic USA has teamed up with QSPAC to bring you the highest quality ribbons to print with the highest quality labels in the industry.

This will simplify your thermal transfer printing solutions, that will work for your applications for synthetic labels.

“WHERE QUALITY & SERVICE COME FIRST!”

Here are some compliance standards that our ribbons meet

- FDA Listed
- Deemed Food Safe (1935/2004/EC)
- UL Listed
- RoHS (EU) 2015/863
- REACH SVHC
- PFOS Free
- Halogen Free
- Conflict Minerals Free
- Contains No Animal Content
- CA Prop 65 Compliant

Dynic USA offers all the main industry sizes from 1" and above and we can custom make any size that will work for you. Our ribbons are compatible with all thermal printers such as CAB, Zebra, Honeywell, Datamax and Sato to name a few.

If you're looking for the highest quality ribbons printing with UPM labels, Dynic USA can help you with your needs.
